Winemakers for one day

The participants will turn into winemakers for a day: they will learn different techniques for each activity based on the time of year. A wine tasting will take place afterwards.

Wellness through the vines

Grapes and wine have always been precious allies for health and beauty. It is the perfect combination of antioxidant polyphenols and revitalizing vitamins to fight the free radical.

Food Pairing Games

An easy and straightforward way to learn how to pair wine and food like a real Sommelier.

Chef for a night

A real cooking course and tastings

Guests will prepare by themselves dishes, a unique chance to express their manual skills and creativity. Teamwork will let dinner to be served, obviously with the right matching wines!
