Wine Fun Games

“Wine Fun Games” is a different way to celebrate wine, in a friendly and playful atmosphere. Each participant, led by professional sommeliers, will test their senses. The Wine Fun Games is divided into three phases:

- **Wine Challenge**
- **Wine Tasting Game**
- **Cocktail Game**

Wine Strategy Games

“Wine Strategy Games” is another way to enjoy wine. Players are put to the test through a series of wine themed tasks. The Wine Strategy Games is divided into two parts:

- **Wine Factory**
- **New Wine Project**

Winemakers Games

The “Winemakers Games” are fully off-site and played whole year long, especially at the beginning of the harvest. The team participates and works in each different phase of the vineyard management. The Winemakers Games is divided into four steps:

- The harvest
- Pruning
- This is my wine: I made this!!!
- The Alchemist
